

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **People of MI v Lovotny Cedric Shannon**  
Docket No. **285653**  
L. Ct. No. **06-001988-FH**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The delayed application for leave to appeal from the April 14, 2008 order is DISMISSED for lack of jurisdiction because the order in question denied a successive motion for relief from judgment where no newly discovered evidence or retroactive change in the law can be found. MCR 6.502(G). The fact that appellant labeled his first motion as one for specific performance does not change this outcome because a judgment of conviction and sentence entered by a circuit court, which is not subject to appellate review under subchapters 7.200 or 7.300, may only be reviewed in accordance with the provisions of MCR 6.500 *et seq.* MCR 6.501.
